

Avoid ER wait times with telemedicine!

Need care but it's after-hours? Traveling and away from home? The ER isn't your only option! Use your 24/7 telemedicine service to:

Feel better, faster.

The average ER wait time is 40 minutes. The average First Stop Health patient waits just 7 minutes to talk to a doctor!

Save money.

Avoid ER prices (and surprise bills) with First Stop Health! There are no hidden fees to talk to a doctor for things like:

- Cough
- Rx Refill*
- Fever
- Toothache
- Stomach Issues
- Aches and Pains
- Sinus Infection
- UTI
- And More!

Moosilauke Visions and Affiliates provides First Stop Health Telemedicine to medical-enrolled employees and their immediate family members for FREE.
